Very fun but by Aaawwwwhhhhhh on 2021/01/11 23:29 It is a very fun game and I was loving it until I had played for a few months, then I realized there wasn't much of a point. I feel like if you want this game to be as awesome as it could be you should add some more upgrades. If you play the game for a short period you will be stuck on the same level for a long time. I had been stuck on a certain level for like a month before I decided to play again and it caused me to lose all of my good placements that I had racked up. If you can add some more tokens or something that would make this game better. Also I don't get why all these people got mad because they didn't get an update that they wanted. Sometimes it takes months to put an update out so if you don't get it then there is nothing we can do about it but still let people know since people are really upset that they didn't get the update they wanted.",

Great game by Big\_Doofy on 2021/12/14 21:02 This is the best game ever. It's very addictive and fun to play. I usually play this while I'm bored and waiting for commercials to end during my tv show or when I'm bored. But, sometimes if there is an add, the add doesn't go away until you watch it even if you swipe it away. But other than that this is a great app!",

Good game but... by mrsam27 on 2021/12/21 18:30 I like the game but there are WAY to many adds! I get them almost everyday and every time I die I get another add. There is no way to skip or turn off them if you want to play with out being annoyed. The guy in the ad that says pay \$5.00 a month and get rid of them is full of crap because I have been trying to find a way to stop getting them since my phone came out and it never worked. If it does when I get the new phone you can bet I'll be deleting this app!!",

Coins by CeceCeceCece on 2021/12/13 16:27 I love this game and have been playing it for years. I have reached a level where there is no more available to play and therefore am unable to make any upgrades for my games such as bakeries. It

would be great if some of the higher levels were made available as in the past. It really is frustrating having to keep doing the same things over and over and over and over again without ever reaching new levels or being able to use anything you have won towards buying coins etc. Please let us know when new levels are available. I, for one, am ready to play them. Thank you",

In January 2021, Moon Active launched a Kickstarter campaign to help fund the development of Coin Master 2 on mobile platforms. The developers of this version released an alpha version of Coin Master 2 for Android devices in December 2021. This version didn't reach beta quality however as it was quickly discontinued only three months after launch due to poor user responses regarding bugs and graphic issues. An update was provided in early 2021 which included a new tablet version of Coin Master 2.0 but this version also never went to beta. As of August 2021, Moon Active has removed all of its previous versions from the Google Play Store and App Store for unknown reasons.",
