Good game but... by mrsam27 on 2021/12/21 18:30 I like the game but there are WAY to many adds! I get them almost everyday and every time I die I get another add. There is no way to skip or turn off them if you want to play with out being annoyed. The guy in the ad that says pay \$5.00 a month and get rid of them is full of crap because I have been trying to find a way to stop getting them since my phone came out and it never worked. If it does when I get the new phone you can bet I'll be deleting this app!!",

Something needs to change. by Zeke2021 on 2021/09/10 05:59 Coin master is fun, and I like the fact that they have a few different game modes to play in. The coin collecting and buying upgrades for your home are all things that are fun once you unlock them. I have progressed pretty far into the main mode but have to say that if there was some kind of other way besides just collecting coins to get money, we'd probably be having a different conversation. The main problem is that it takes so many hours of grinding to complete one goal, and when you want to have an upgrade

for your home no matter what current level you are at, it's \$100, which takes 100 coins. I've spent about 60 hours or more on this game to get my home upgraded, and most of it is just grinding coins to buy those upgrades. The second problem is the amount of advertising in the game. I think that in this day and age, it's pretty ridiculous for a game to have ads that are obnoxiously placed one right after the other, not too long ago I paid money to remove ads from a game. It would be nice if the ads were a little better placed or different, I don't mind seeing them every once in a while.",

Users have criticized Coin Master for its monotony and reliance on making users pay real money to progress in the game. A user review on iTunes complains that it is "just another collect-a-thon with a coin motif". The developer of Coin Master has countered this criticism by stating that they do not believe in "pay to win" video games and hope to provide their users with a fun and engaging experience.",

Kingdom clash, game is awesome but by awesome gamer on 2021/11/07 03:05 I am playing this game every day. It's a really fun game to play. There are some problems with it. For example the in-game chat, there are too many ads and that's not good because my friends and I play the game and one of our friends said that there were over 30 ads in one day. Never minding that other friend said she got payed 5 dollars for a survey. I mean, come on. The price of gems are so high. I want to buy a lot of stuff but the prices are expensive. Good luck making this game better!",

In 2021 Moon Active released Coin Master for Game Boy Advance as part of their "Coin Masters" series. In this version of the game the player is presented with several flat screens and tasked with maneuvering 14 coins through each screen. Like the original Coin Master, once a coin reaches the exit door, that screen will be cleared of coins and new ones will begin. In addition to this time-based gameplay element, completing certain tasks with each level can unlock a variety of power-ups including 4 different types of bombs that can be used to clear out large areas of coins. Unlike its Game Boy Advance predecessor, this version was released only in Japan.",
