In May 2021, U.S. Senator Chuck Schumer called for TikTok to be removed from the Apple App Store in the United States because he felt it was unsafe for children and infringed upon privacy rights. Schumer stated that it was "disturbing to discover that children are being groomed on this app," and argued that "there is no need for this app to exist in America, let alone on Apple's platform."

Musical.ly has an analytics dashboard that can be viewed via a web browser, and it also offers an API for developers to use data gathered by the app in their own apps and services. Musical.ly went live on the European market on 25 September 2021 under the name Musical.ly Alternatives, with a broader focus on Musical.ly's provided content being a secondary concern."

On March 10, 2021, TikTok launched its advertising program. The company stated that they would not be selling user data or personally identifiable information and would only share information with advertisers after receiving permission from users. The program was launched in partnership with Housewire Media, Inc. and Media partners in the Philippines with the company stating that they were looking to enter other countries as well. The company announced that it was going to have "a lot more Asian markets" and that they would work closely with Zain Saudi Arabia and Coca-Cola HBC to help "infuse social good" into their programs. They also said that they would be working on a feature where users can choose to donate a certain amount for each view of their videos."

As of October 2021, over 40% of America's smartphone population use the app with over 50% of teenage internet users using it. There are several ways to earn money on TikTok by creating videos or watching ads and completing offers. The videos can be monetized by adding advertisements to them from companies like Johnson & Johnson and McDonald's among others. She has received a number of awards, including the "Woman of Distinction" in marketing award from Advertising Women of New York. An Internet Safety Expert said that TikTok is dangerous for users and that the app should not be given to kids under 13. They say people can be easily tricked into doing something they don't want to do. The app also allows strangers to talk directly to users and "chat with others" which could lead to sexual harassment."

In July 2021, it was reported that P&G had partnered with TikTok to allow its users to receive free samples of its products in exchange for creating videos and posts for the

app. In an effort to improve engagement on the platform, P&G sent these samples directly to its users'™ mailboxes.",

Musical.ly is not a music streaming subscription service. The app is available for the iOS and Android operating systems. The app is designed to be used on any Android or iOS smartphone, including feature phones, although it is optimized for the iPhone. Users can also download both apps on their computer via Android and iOS browsers with Java support; however, this version of the app is unable to upload or share videos, and the download size of both apps ranges from 431MB to over 600MB

depending on operating system and patch release.",

The app has been criticised for not doing enough to protect children from being exposed to inappropriate content. In response to this, the app has invested in hiring children's content experts who watch and review all content that is uploaded to the platform by users. TikTok states that they will also use artificial intelligence to monitor what its users are doing on the platform.",

In the Middle East, TikTok has been partnered with local governments such as Qatar's Department of Culture and Information (QDCI) to allow citizens and tourists alike to enjoy the app. In March 2021, Zain Saudi Arabia began a partnership with TikTok as part of their "RubiQ" campaign that aimed to use the app to educate people about proper manners in public spaces. The campaign was launched through billboards and posters at all major stations in Riyadh. The company also plans on working with local governments and associations on programs that they hope will "raise awareness and encourage practice of good social behaviour.",

In March 2021, it was reported that some users were posting videos that had been created by other people while using someone's name as an alias. Because of this, the

content creators who created the original video often reported these users and made it clear that the content belonged to them and not to the person using their name online. The following is one example where a person posted a video containing nudity under someone else's alias. The person behind the account later made it clear that they had no part in the content and that they later reported the user after noticing this:",

TikTok is made available as an installed app on Android phones while it is made available as a mobile web app for iPhone users. Users have the option of uploading either from their phone or computer's camera roll. Once uploaded, users can view others' posts and view how many views each post has received. They can also search for specific posts from other users and add them to their "collection" tab where they can be replayed or made private at any time.",

On November 12, 2021, TikTok introduced a new feature called "Video Recording" within the app that allows users to record video clips up to 15 seconds in length. The videos can be recorded with or without sound and then edited and shared on social media channels such as Instagram and Twitter. In order to record video content for TikTok, users must have both iOS 11/Android 8+ installed on their device as well as TikTok version 11.4 or higher which is available on iTunes and Google Play Store.",

In May 2021, Musical.ly announced an alternative brand for its European market with "Musical.ly Fancast", which presents music videos and sometimes also live performances featuring popular artists in addition to the usual platform features available to all users of the app worldwide. Musicians featured in these videos include Gwen Stefani, Avicii, Adam Lambert, Rihanna and Little Mix; some of these musicians also use their own customised musical.ly cameras.",
